Step 1. Mark quantities next to preferred size.

Using the thumbnails, indicate which card template(s) you want. If you are ordering more than one set, you may pick different templates by indicating a number in the blank next to the chosen template and size. If a blank isn't found next to a template for 5x7, then that size is not available in that template.

Step 2. Your personal message.

Step 3. Other info.

If question(s) arise, PhotosByFeist will attempt to clarify ASAP.

Best number to call: _____

How late may PhotosByFeist call you? _____ P.M.

I understand that some card templates require cropping the photo, some significantly. PhotosByFeist will do the best it can.

Sign _____

Step 4. Staff review. PBF# _____

Present this form to a staff member. Invoice #: _____
 _____ verified this information.

I reviewed the customer's template choice/size.

I verified legibility of customer's message.

Total cards ordered: _____ (Standard: 1 pack = 10 cards)

Each template shown above is also available with a layout optimized for horizontally-oriented photos, although the design may differ slightly.
